

Nottingham's Child Friendly City Programme

CFN Mission: Our aim is to make the rights of children and young people an integral part of the culture, policies and decisions that are made in Nottingham.

At every level, we should respect the rights that children and young people have and do what is needed to give them healthy and happy lives.

Nottingham's Golden Thread: Nottingham's children and young people chose **'Equal and Included'** as one of their highest priorities. All children and young people to be treated as equals: to gain confidence, be heard, be seen and be safe.
